

Birthday Parties at Gymkhana Gymnastics

Unparalleled Gymnastics Fun!

Tumble, swing and trampoline into one of the best party ideas: a Gymnastic Party! Gymkhana's professional instructors create an exciting way to experience gymnastic instruction as well as unique and challenging group activities using our gymnastics equipment, parachute and fabulously fun obstacle course. Our party is designed for boys and girls 4 and up, with no more than 20 children.

All parties have private use of our facility and include 1 hour gym time, followed by 1/2 hour in the lobby to cool down, relax and/or have refreshments.

Refreshments are at your discretion and are not included in price. We permit closed drinks only, such as juice boxes or water bottles. (We do not permit cups). Cake, cupcakes, cookie cake, or light snacks work best within the allotted lobby time. You must make your own arrangements for any food/drinks.

Party package is \$300 with a strict limit up to 20 children (including the birthday child). This is a flat rate with no additional charges.

This also includes:
